

# Innovorbs Technologies Expands Operations with Premium 24/7 Managed Services and Strategic Staff Augmentation

*Innovorbs Technologies announces expanded 24/7 managed IT services and staff augmentation for global businesses seeking resilience and operational excellence.*

HOUSTON, TX, UNITED STATES, May 12, 2025 /EINPresswire.com/ -- Innovorbs Technologies, considered by many to be one of the best IT managed service providers in the USA, today announced that it is expanding its portfolio of service offerings to deliver continuous 24/7 access to managed IT services.

The firm is known for fielding a “bench” of well-trained, first-class certified professionals that augment in-house teams. Clients can engage with Innovorbs’ teams on-site, offshore, or at remote locations.

Tayyab Muhammad, CEO of Innovorbs Technologies, expanding global 24/7 managed IT services and staff augmentation.

“

Our expanded team operation combines certified local and offshore talent to deliver exceptional, around-the-clock IT services tailored to each client.”

*Tayyab Muhammad, CEO of  
Innovorbs Technologies*

“Our expanded team operation leverages local and offshore personnel, equipping them with the best technology for managed IT services,” said Tayyab Muhammad, CEO and founder of Innovorbs Technologies. “We utilize best practices and tailored solutions to meet the ever-expanding bespoke needs of our clients.”

Innovorbs Technologies provides its customers with 24/7 live onsite support and nationwide coverage. The company utilizes innovative solutions and a client-centric approach. They focus on system agility and adaptability, data-driven

insights, and results-driven execution.

Innovorbs is continuously evolving its solutions and service offerings. Clients prefer Innovorbs

for IT operations excellence, enterprise resilience, cybersecurity, and more. The company is also renowned for building agile corporate data networks that can quickly rebound from unexpected outages, hackers, and full-on cyberattacks. The company can develop bespoke digital solutions based on client requirements.

Innovorbs offers:

- Staff Augmentation and IT Workforce Solutions
- Cloud Transformation and Modernization
- Business Solutions and Services
- Network Solutions and Services
- Managed Services
- IT Bespoke Solutions
- DevOps
- Cybersecurity
- Software Solutions
