

OCCUPATIONAL HEALTH & SAFETY ANNOUNCES 2025 INDUSTRIAL HYGIENE AWARD WINNERS

Occupational Health & Safety, providing worker safety-triad insights since 1932, is pleased to announce the winners of its 2025 Industrial Hygiene Awards.

WOODLAND HILLS, CA, UNITED STATES, May 6, 2025 /EINPresswire.com/ -- [Occupational Health & Safety](#), providing worker safety-triad insights since 1932, is pleased to announce the winners of its 2025 [Industrial Hygiene Awards](#).

Founded in 2021, this program honors the outstanding product development achievements of health and safety manufacturers whose products are considered particularly noteworthy in their ability to improve industrial hygiene.

"OH&S's annual Industrial Hygiene award program aims to help IH professionals spotlight effective, novel solutions that address real-world occupational health risks," said David Kopf, executive editor and publisher of Occupational Health & Safety.

"We try to cover a wide breadth of categories so that winners represent a full spectrum of solutions, while simultaneously highlighting some of the categories that are big drivers in innovation, such as gas detection, software, apps, wearables, and IoT," Kopf added.

The winning companies and products will be recognized in Occupational Health & Safety's marketing and promotions and on the special winners' section of its website.
