Children do not need to be enrolled in West Ada School District to participate.

The program begins June 2, 2025, and continues through August 1, 2025, at multiple locations across the district, including schools, parks, and libraries. No application or registration is required. Meals are served on-site and must

be consumed during the scheduled times.

“Access to healthy meals should never stop when school ends,” said Anne Brock, MS, RDN, LD, Director of School Nutrition for West Ada School District. “The Summer Food Service Program helps ensure that our children have the nutrition they need to thrive all year long, and we encourage families to take advantage of this free resource.”
