Since its founding in 2020, SurviveHER has grown into a trusted community resource for education, peer support, and direct services that meet the unique needs of underserved women. The strategic leadership of the newly appointed board will be instrumental in guiding the organization's continued growth, deepening its community impact, and scaling its programs across Greater Houston and beyond.

"This moment is truly monumental for SurviveHER! Formalizing our Board of Directors and Advisory Board marks a powerful new chapter in our 5th year as an organization. I intentionally selected each of these leaders for their passion, integrity, and deep commitment to the women we serve. Their guidance will be instrumental as we grow our impact and continue advancing breast health equity with purpose and heart. - Lyndsay Levingston, Founder, SurviveHER

SurviveHER remains active year-round through educational events, awareness campaigns, and partnerships that amplify survivor voices, address disparities, and move the needle toward health justice. For more information, visit www.imasurviveher.org.

ABOUT SURVIVEHER

SurviveHER is a 501(c)(3) nonprofit organization whose mission is to inform, inspire, and empower women affected by breast cancer. Founded by Triple Negative Breast Cancer SurviveHER Lyndsay Levingston, the organization improves breast health outcomes by offering financial and wellness resources, peer support, and access to screening and navigation services. Since 2020, SurviveHER has served over 1,000 women and continues to champion equity in breast cancer care across communities.
