

# 3 Rivers Energy Partners Announces Key Leadership Transition

*3 Rivers Energy Partners, is pleased to announce a strategic leadership transition designed to support the company's continued growth and operational excellence*

THREE RIVERS, MI, UNITED STATES, May 12, 2025 /EINPresswire.com/ -- Due to its continued growth, 3 Rivers Energy Partners (3RE), a leading innovator in renewable natural gas and sustainable waste-to-value solutions, is pleased to announce a strategic leadership transition designed to support the company's continued growth and operational excellence.

Max Johnson Appointed COO of 3 Rivers Energy Partners

Effective immediately, [Max Johnson](#) has been appointed as the new Chief Operating Officer (COO) of 3 Rivers Energy Partners. Johnson succeeds [David Johnson](#), who will now serve as Senior Advisor while retaining his seat on the Board of Directors.

“

Max has demonstrated the vision, composure, and integrity that define great leadership”

*John Rivers, CEO & Co-Founder*

In his new role, Max Johnson will oversee the company's Engineering, Construction Management, and Operations departments. A proven leader within the organization, Max has played a central role in managing of the construction and operations of 3RE's facilities. His calm, decisive

leadership and commitment to excellence earned him this expanded leadership opportunity.

“Max has demonstrated the vision, composure, and integrity that define great leadership,” said John Rivers, CEO & Co-Founder of 3 Rivers Energy Partners. “This promotion is a testament to the trust he has earned across our team and our industry.”

David Johnson, a founding member and equity partner, has been instrumental in building 3RE into the nationally recognized renewable energy company it is today. In his new role as Senior

Advisor, he will focus on project feasibility and high-value strategic initiatives. David's deep industry knowledge, ingenuity, and relentless drive will continue to guide 3RE through its next phase of innovation and impact.

"David's legacy is firmly embedded in the DNA of this company," said John Rivers, CEO & Co-Founder. "We are fortunate that he will continue to shape our future as both an advisor and board member."

3 Rivers Energy Partners

3 Rivers Energy Partners remains committed to empowering organizations to create a sustainable future through its unique full-circle approach to waste conversion and renewable energy deployment.

###

#### About 3 Rivers Energy Partners

3 Rivers Energy Partners (3RE) is a renewable energy company that specializes in the design, build, and operation of renewable natural gas projects. Our teams work to provide renewable energy solutions for organizations by utilizing their existing bio-waste streams as feedstock for renewable energy sources. This allows organizations to lower their environmental impact and help return vital nutrients to the earth. We take renewable energy projects from idea to operation.

Empowering organizations to create a sustainable future.
