

Spark Brilliance for Educators: Ignite, Engage, and Transform Your Classroom

Jackie Insinger and Monica White launch their newest book, Spark Brilliance for Educators: Ignite, Engage, and Transform Your Classroom

NEW YORK, NY, UNITED STATES, May 7, 2025 /EINPresswire.com/ -- Teachers don't just deliver lessons, they ignite potential. Yet, in today's classrooms, burnout is rising, student engagement is slipping, and many educators feel like they're running on empty. What if there were a way to re-energize teachers, spark motivation in students, and create a school culture where everyone thrives?

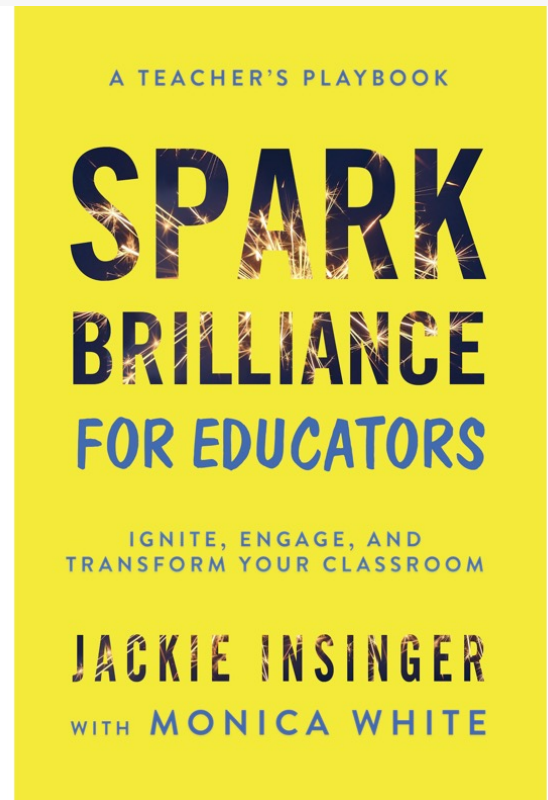

In their new book, *Spark Brilliance for Educators: Ignite, Engage, and Transform Your Classroom*, authors Jackie Insinger and Monica White share powerful strategies that turn classrooms into hubs of creativity, engagement, and lasting impact, helping educators combat burnout and increase student participation.

Spark Brilliance for Educators brings proven, research-backed leadership strategies into the classroom, giving teachers a scalable, actionable system to measurably reduce teacher burnout while improving student engagement, attendance, and teacher retention. The book provides actionable insights for teachers, school leaders, and policymakers looking to reignite passion in the profession and drive student success.

This transformative book offers research-backed frameworks and tangible outcomes:

- 25% reduction in teacher burnout
- 12.6% increase in student attendance
- 15.6% enhancement in academic performance
- 10% rise in teacher retention

Backed by independent university research studies and built on real-world application, *Spark*

Spark Brilliance for Educators

This book offers a clear path for educators to build meaningful connections, spark student engagement, and lead with purpose...A fresh, powerful approach to teaching and leadership"

Dr. Marshall Goldsmith

Brilliance for Educators is the toolkit every modern educator deserves. This isn't just another education book, it's a movement.

About the Authors:

Jackie Insinger and Monica White are the visionary forces behind Spark Brilliance for Educators, a transformative framework designed to reignite passion in teaching, enhance student engagement, and combat educator burnout.

Jackie Insinger, a globally recognized leadership strategist and bestselling author, has worked with Fortune 500 executives and elite teams to build trust-driven, high-performing cultures. With Human Development and Psychology degrees from Duke and Harvard and an MIT certification in Neuroscience for Business, she bridges cutting-edge research with real-world leadership. Her Spark Brilliance framework, originally designed for corporate leaders, became a global movement and, thanks to Monica, found a powerful new application in education.

Monica White, CEO of Elevate Academy, has spent over two decades revolutionizing education in Idaho. As the founder of Elevate Academy Career Technical Charter School, Monica has revolutionized education in Idaho by integrating academic learning with career technical education, opening five schools since 2019. She integrates academics with hands-on career training, reshaping student success. When Monica introduced Spark Brilliance to her educators, the results re-energized teachers, increased student engagement, and improved academic outcomes were undeniable.
