

Mitch Bakker's 'Resolve': A Memoir of Faith and Reconciliation Amidst Life's Trials

HOLLAND, MI, UNITED STATES, May 6, 2025 /EINPresswire.com/ -- Mitch Bakker, an entrepreneur, designer, and author, offers a profound journey through grief, loss, and redemption in his book, "Resolve." This book is a testament to the power of faith in navigating life's most challenging moments and discovering a renewed sense of purpose and hope.

Bakker delves into the complexities of human emotion—pairing grief with celebration and loss with anticipation. It invites readers to consider the deep, impactful teachings of Jesus and encourages a life lived with fervor for loving God and neighbor.

"Resolve" was born out of a significant period in Mitch's life, reflecting his

contemplations during the year he turned fifty-seven—the age his father passed. This poignant timing brought a stark realization of life's fleeting nature, propelling Mitch to document his spiritual journey and the lessons learned from both his own experiences and those of others.

Mitch Bakker, the founder and principal of the internationally recognized industrial design firm IDA Design, infuses his narrative with the same creativity and insight that have marked his professional achievements. His exposure to global service and teaching within Prisons enriches his narrative, providing a backdrop of commitment to societal betterment and individual redemption. Thousands of copies of "Resolve" have been distributed throughout prisons across the US.

In "Resolve," readers will encounter a candid, raw, and ultimately uplifting journey from despair to grace, with Mitch's narrative providing a roadmap for those seeking to reclaim their lives
