

Modern Primary Healthcare Opens a New Facility in The Woodlands

Modern Primary Healthcare Opens a New Facility in The Woodlands

THE WOODLANDS, TX, UNITED STATES, May 13, 2025 /EINPresswire.com/ -- [Modern Primary Healthcare](#) has opened its newest facility in The Woodlands, expanding access to high-quality [primary care](#) services in the Greater Houston area. Conveniently located within Modern Heart and Vascular's existing practice, this addition reflects a growing commitment to integrated, patient-centered healthcare. By combining primary and [cardiovascular care](#) under one roof, patients benefit from streamlined, comprehensive medical services in a single, trusted location.

At the Woodlands facility, Family Nurse

Practitioner Anju Laxman, MSN, APRN, FNP-C, provides expert primary care services, including preventive screenings, chronic disease management, wellness exams, women's health services, geriatric care, and more. She also performs immigration physicals as part of her broad scope of services.

Passionate about long-term patient relationships, Anju is known for her commitment to individualized care and outstanding service. She speaks English, Hindi, Malayalam, Tamil, and Kannada, allowing her to connect with and care for a diverse patient population.

With the launch of primary care services in The Woodlands, Modern Primary Healthcare strengthens its model of collaborative care—ensuring patients receive both cardiovascular and general medical services seamlessly. This integration supports improved health outcomes through early intervention and continuous, coordinated care.

Modern Primary Healthcare in the Woodlands, TX

Modern Primary Healthcare
