

Institute of APEC Collaborative Education Signs MOU with Gwangju Education Office on AI Deepfake Prevention

AI Deepfake Prevention Education Partnership to Nurture Global AI Management Leaders

SEOUL, SOUTH KOREA, May 7, 2025 /EINPresswire.com/ -- The Institute of [APEC Collaborative Education](#) (Chairman Park Dong-sun) and the Gwangju Metropolitan Office of Education (Superintendent Lee Jeong-seon) announced the signing of a memorandum of understanding (MOU) on April 25 to promote international exchange and nurture global talent.

The MOU aims to open a new chapter in global AI-driven future education through cooperation on [AI deepfake](#) prevention system education and digital education informatization policies.

Based on the [AI deepfake prevention](#) education and digital education information policy cooperation agreed upon on this day, the two institutes plan to expand international exchange programs and networks with overseas schools, implement various collaborative projects aimed at enhancing the global competencies of local talent and promoting global education initiatives.

Chairman Park of the Institute of APEC Collaborative Education stated, "We will closely collaborate to enhance the global competencies of future generations." Superintendent Lee of the Gwangju Metropolitan Office of Education added, "We will actively support students in pursuing their dreams on the global stage."

AI deepfake prevention system education company of B5G6G Digital Currency, Chairman Kim Sang-young, attended the ceremony and commented, "Based on the APEC Summit to be held in
