Steve Harrison's commitment to helping others skyrocket themselves as a brand is bar none. His ability to help others embrace their power and become known in their field is unprecedented. ”

Dr. Allen Lycka

Harrison helps bestselling authors, top experts, and speakers who are comfortable promoting themselves monthly, year after year. He helps them open those outside-the-box ideas and set up their business so they have other income streams outside of their book (products, programs, speaking, seminars, and consulting). His goal for those he serves is to have them stand out so when someone hears them on the radio, they can generate more revenue than simply \$12 for a book. They might get \$1,000+ for a seminar, \$3,000 for a speech, and \$10,000+ for consulting. Learn more about Steve's
