Saddle Up Saturdays (& Sundays) 2025

What's New in 2025

The program now runs on both Saturdays and Sundays, giving participants more flexibility to ride when it works for them. The reward has increased to a \$20 digital gift card, replacing the previous \$15 mailed version. All trip logging and reward processing are now handled through NorCal Go, making participation faster and easier than before.

How It Works

Ride your bike to any restaurant in the Jibe service area, spend at least \$10 (before tax, tip, or discounts), and take two photos—one of your bike at the restaurant and one of your receipt. Log your trip in your NorCal Go account. After review, Jibe will email you a submission form. Once submitted and approved, you'll receive a \$20 digital gift card by email, usually within three business days.

Participants may earn up to two gift cards per weekend.

All program details, including how to participate and register, are available on the [North Natomas Jibe website](#).
