Not only did the Survivor Fund reach the 20th anniversary milestone, but we also set a new record for funds raised, a testament to the dedication of everyone involved.”

“This year’s event was especially meaningful, as we celebrated the Survivor Fund’s 20th anniversary,” said Jeffrey Godwin, co-chairman of the Survivor Fund. “Not only did we reach this incredible milestone, but we also set a new record for funds raised, a testament to the dedication of everyone involved.”

Each year, more than 60 roadside professionals tragically lose their lives while assisting stranded motorists on dangerous highways. The Survivor Fund provides vital financial support to the families of these fallen heroes,

ensuring they receive assistance during their time of greatest need.

“The ongoing support from the industry, through events like the Golf Classic, has been invaluable,” Godwin continued. “It has allowed the Fund to significantly increase its support to the families of those who have given their lives in service to others.”
