

EMT Named Exclusive JLG Equipment Service Provider in Colorado

JLG Industries selects EMT as its exclusive authorized service provider for Colorado, solidifying EMT's leadership in aerial equipment repair.

AURORA, CO, UNITED STATES, July 1, 2025 /EINPresswire.com/ -- [Equipment Maintenance Technician](#), a trusted name in fleet and machinery repair, has been appointed the exclusive authorized service provider for JLG equipment in the state of Colorado. This official partnership designates EMT as the only JLG-certified maintenance provider in the region, underscoring its reputation for excellence in servicing aerial work platforms and material handling equipment.

The partnership with JLG—an industry leader in access and lift equipment—ensures that EMT's clients benefit from factory-approved diagnostics, genuine replacement parts, and up-to-date service procedures. The certification also grants EMT access to specialized training and tools, further enhancing the company's capabilities in [mobile heavy equipment repair Colorado](#).

“

Being JLG's only authorized service provider in Colorado is a true honor.”

Zal Hyde

As the exclusive partner, EMT supports JLG's customers across Colorado with in-shop and mobile maintenance, minimizing downtime for rental companies, construction firms, and industrial operators.

A Word from the Owner

“Being JLG's only authorized service provider in Colorado is a true honor.”
