

Dmytro Verzhykovskiy Wins Gold as Best SEO Professional at ECDMA Global Awards 2025

DUBAI, UNITED ARAB EMIRATES, May 8, 2025 /EINPresswire.com/ -- [Dmytro Verzhykovskiy](#), Digital Marketing and [SEO Expert](#) for Solomia Home, has been awarded Gold in the Best SEO Professional category at the prestigious [ECDMA Global Awards 2025](#). This accolade celebrates his transformative work in elevating Solomia Home, a luxury furniture store brand in the UAE, from zero online presence to global recognition within a single year.

Starting in December 2023, Verzhykovskiy faced a blank slate: Solomia Home’s website had no traffic, no search rankings, and no visibility in the fiercely competitive luxury furniture market. Despite challenges like frequent Google algorithm updates in 2024, he drove exponential growth in organic traffic by crafting SEO strategies that targeted affluent buyers seeking premium furniture and interior design solutions. His innovative approach not only generated clicks but attracted a highly discerning audience, securing Solomia Home’s prominence in AI-powered search answers and establishing it as a trusted name among luxury consumers worldwide.
