

# Sumihiro Investments and EDGE Partners Join Forces to Advance Foreign Direct Investment and Economic Growth

*Partnership Combines Decades of Global Investment Expertise Helping International Companies Successfully Enter and Grow in US Markets*

DENVER, CO, UNITED STATES, May 8, 2025 /EINPresswire.com/ -- [Sumihiro Investments, LLC](#) and EDGE Partners, LLC announced a strategic relationship designed to advance foreign direct investment (FDI) and drive economic development by assisting international companies in successfully entering and expanding into United States markets.

This collaboration brings together two firms with proven track records in global investment, business strategy, and economic development. The partnership aims to streamline the market entry process for international clients by offering a comprehensive suite of advisory services that address investment, regulatory, and operational challenges.

"We are pleased to collaborate on supporting international companies as they navigate the U.S. investment landscape," said Jasjit Singh, Founder of EDGE Partners, LLC. "It is a critical time for global firms to understand the policy environment and strategic opportunities that come with entering the U.S. market."

Singh, the former Executive Director of SelectUSA, the nation's premier investment summit, brings deep expertise in attracting and facilitating foreign investment into the United States. As part of the U.S. Department of Commerce, SelectUSA plays a leading role in supporting international investors and U.S. economic development organizations.
