Bringing Global Flavors to the U.S. Snack Market

Jans Enterprises Corp is known for delivering snacks that blend authentic Asian ingredients with mainstream appeal. With product roots in Southeast Asia and a strong distribution base in North America, Jans continues to expand its presence in the competitive snack space by focusing on innovation, flavor, and consumer wellness.

Featured Products:

Jubes Coconut Jelly

JansFood brings bold flavors and fan favorites to the 2025 Sweets & Snacks Expo in Indianapolis.

Made with nata de coco (fermented coconut water), Jubes offers a chewy texture and is high in dietary fiber. Free from artificial preservatives and sweeteners, this snack is enjoyed on its own or added to smoothies, drinks, and desserts. It comes in several flavors including lychee, pandan, mango, strawberry, and grape.

Spring Roll Snacks

These crispy rolls draw from traditional recipes and feature modern, convenient packaging. Available in a variety of savory fillings, including vegetarian options, they make an ideal on-the-go snack.

Sweet Potato Stixx

Debuting at this year's expo, Sweet Potato Stixx offer a crunchy, nutrient-rich snack made from real sweet potatoes. Gluten-free and non-GMO, they appeal to health-conscious consumers looking for a clean-label treat.

Milk Candies

Made with real milk, these creamy confections provide a classic sweet flavor and soft texture. With wide flavor variety and nostalgic appeal, Milk Candies are a favorite among all age groups.

A Commitment to Quality and Innovation

"Participating in the Sweets & Snacks Expo gives us a unique opportunity to connect with retail buyers, industry professionals, and fellow snack lovers," said a spokesperson from Jans Enterprises Corp. "We're excited to showcase how our products combine
