*California-based company's video guestbook service captures personalized messages from event guests, available in San Francisco, Los Angeles, and Sacramento.*

SAN LORENZO, CA, UNITED STATES,

May 8, 2025 /EINPresswire.com/ -- [One, Two, Smile! Photobooth](#), a California-based photo and video booth rental company, offers [video guestbook service across California](#). The service allows event attendees to record personalized video messages that are compiled into a digital keepsake for hosts.

The video guestbook works through a simplified process where guests pick up a phone at the booth, tap the screen to begin recording, and leave their message. When finished, guests hang up the phone, and their recording is stored for later viewing by the event host.

"Our video guestbook provides an alternative to traditional audio guestbooks by capturing authentic moments and well-wishes in video format," said Ms. Andrea Sy, spokesperson for One, Two, Smile! Photobooth. "Event hosts can revisit these personal messages for years after their special day."

The service is designed for various occasions including weddings, birthday celebrations, corporate gatherings, and other events where hosts want to preserve guest sentiments. One, Two, Smile! Photobooth serves clients throughout California, with particular focus on the [San Francisco Bay Area](#), Los Angeles (<https://onetwosmilephotobooth.com/photo-booth-rental-los-angeles>), and Sacramento (<https://onetwosmilephotobooth.com/photo-booth-rental-sacramento>) markets.
