

# Celeinne Ysunza Shares Compassionate Forgiveness as the Path to Healing in 'From Shattered Innocence to Radiant Healing'

*From abandonment and abuse to inner peace and spiritual awakening.*

COOKSTOWN, NJ, UNITED STATES, May 8, 2025 /EINPresswire.com/ -- This poignant memoir follows the life of an abandoned baby that was thrust into a childhood marked by relentless abuse - physical, emotional and sexual. The author endured the darkest depths of fear, anger and betrayal while navigating life in various foster homes. Yet, against all odds, she found the strength to transform her pain into healing and become a metaphysical-spiritual guide.

["From Shattered Innocence to Radiant Healing"](#) chronicles Ysunza's journey

from suffering to spiritual awakening, revealing how compassion and forgiveness toward her birth parents, and gratitude to God for the wealth of His lessons led her onto the path of light to freedom.

"This memoir serves as a gentle reminder to pause and look within our heart for the opportunity to rediscover that priceless gem of forgiveness, especially for our parents who, as likely damaged children, did the best they could," reader Tanya Elizabeth from La Quinta, CA shared.

This memoir is a reminder that healing is possible and that the path to peace is through compassion, both for ourselves and others. "From Shattered Innocence to Radiant Healing: A Journey of Transformation Through Forgiveness and Compassion" by Celeinne Ysunza, PhD is available on Amazon, Barnes & Noble, and other major online bookstore retailers.
