

Joanne Shaw Taylor Delivers Feel-Good Vibes on Breezy New Single 'Summer Love'

The catchy new track is the latest preview from her upcoming album Black & Gold, out June 6th via Journeyman Records

NASHVILLE, TN, UNITED STATES, May 9, 2025 /EINPresswire.com/ -- British blues-rock guitarist and singer-songwriter Joanne Shaw Taylor offers a dose of feel-good nostalgia with the release of her new single "Summer Love." Released today via Joe Bonamassa's Journeyman Records, the track finds Joanne in a more carefree, radio-ready mode—without letting go of the heart and honesty that have defined her career. "I specifically had it in my mind that I wanted to write a summer pop single for this album," Joanne shares. "It's just something I've always loved—driving around Michigan, now Tennessee in summer and having that one song you love to hear on the radio that years later triggers happy memories. I hope this could be that song for someone out there."

With crisp handclaps, crunchy riffs, and a laid-back groove that begs to be played with the windows down, "Summer Love" tells the story of a fleeting romance that burned bright and ended sweet. "What's to say, let's call it what it is / It'll almost be easy, getting over this," Joanne sings, striking the perfect balance between wistful and free. "Had love for a season, both had our reasons / It's only for forever—forever till September."

"Summer Love" is the latest in a run of singles leading into Black & Gold, Joanne's highly anticipated new album out June 6th. It follows the moody and emotionally raw "Look What I've

Become,” the roaring rocker “Hell Of A Good Time,” and the introspective gems “Grayer Shade of Blue” and “I Gotta Stop Letting You Let Me Down.” Each release has shown a different side of Joanne’s artistry, reflecting a record that’s as dynamic as it is deeply personal.

Produced by Kevin Shirley (Black Crowes, Journey, Aerosmith), Black & Gold sees Joanne stretching beyond the boundaries of traditional blues-rock, embracing cinematic textures, soulful pop, and modern guitar grit. From the shimmering cover of Sam Sparro’s “Black & Gold” to the stirring ballad “Who’s Gonna Love Me Now,” the album showcases Joanne’s evolution as a writer, player, and vocalist.

Joanne recently wrapped a string of U.S. Spring Tour dates and is gearing up for a summer packed with major festival and headline performances across North America and Europe and soon announcing a US tour this fall. Known for her fiery musicianship and magnetic stage presence, she continues to captivate live audiences with a setlist that spans fan favorites and new material from Black & Gold.
