

A1 Technologies Named #1 on Australia's Best Workplaces™ in Technology List (Micro) by Great Place to Work® Australia

A1 Technologies named #1 on Australia's Best Workplaces™ in Technology (Micro Business Category) list by Great Place to Work® Australia 2025.

SYDNEY, NSW, AUSTRALIA, May 9, 2025

/EINPresswire.com/ -- [A1 Technologies](#)

has been ranked the #1 Best Place to Work™ in the Micro Business category on the 2025 Best Workplaces in Technology™ list, announced by [Great](#)

[Place to Work](#)® Australia. The honour

recognises A1 Technologies for its people-first culture, leadership, and commitment to building a high-trust workplace where individuals can thrive.

A1 Technologies team photo

The list recognises 55 exceptional technology companies across four size categories, based on confidential employee feedback and a detailed analysis of company culture using Great Place to Work's rigorous methodology.

“

Culture is central to our business and strategy. It guides nearly every decision at A1. We believe a strong culture creates a more engaged team—and ultimately, a better experience for our customers.”

— Rob Rattray, Director, A1 Technologies

About A1 Technologies

A1 Technologies is a Microsoft Solutions Partner and Managed Service Provider helping businesses across Australia thrive with Microsoft Cloud. We specialise in designing, deploying, and managing solutions across Microsoft 365, Azure, DevOps, and Power Platform. Our deep Microsoft expertise, combined with a people-first culture and commitment to exceptional service, sets us apart. We believe that investing in our team—through continuous learning, collaboration, and work-life

balance—drives better outcomes for our customers. At A1 Technologies, we're not just experts in Microsoft—we're passionate about delivering meaningful impact for our clients and building a

workplace where people feel valued, supported, and inspired.
