

Real-Time Mobile Freight Tracking: Bolt Express Launches New Customer Connect Mobile App

Bolt Express announces Customer Connect™ mobile app, providing customers with access to real-time shipment details and supporting documentation.

TOLEDO, OH, UNITED STATES, May 13, 2025 /EINPresswire.com/ -- Bolt Express, a leading provider of reliable, on-demand transportation solutions, announced the launch of its new Customer Connect™ Mobile App. The app provides Bolt customers with easy and convenient access to real-time shipment details and all supporting documentation.

Customer Connect App

“Our customers choose Bolt Express because they trust us to handle their unplanned and unexpected shipping needs. Whether they are trying to support a production schedule or to follow through on a promise to deliver to one of their customers, they want the reassurance of knowing where their freight is at all times. Our new Customer Connect App™ ensures that they always have the information they need.” said Guy Sanderson, CEO of Bolt Express.
