

My Legal Pal Surpasses 1,000 Cross-Border Contracts, Enhancing Global Legal Accessibility

NEW YORK, NY, UNITED STATES, May 11, 2025 /EINPresswire.com/ -- In an era where businesses increasingly operate across borders, My Legal Pal has emerged as a pivotal player in providing accessible and cost-effective [legal services](#). Founded by corporate and technology lawyer Prakhar Rai, the platform has recently achieved a significant milestone: facilitating over 1,000 cross-border contracts for clients spanning five countries.

Headquartered in India, My Legal Pal has extended its services to clients in the United States, United Arab Emirates, Australia, and Singapore. The platform's network comprises legal professionals with expertise in various domains, including corporate law, intellectual property, litigation, family law, and white-collar crime.

My Legal Pal Logo

My Legal Pal offers a wide array of legal services tailored to the needs of startups, SMEs, and established enterprises. These services encompass contract drafting and review, trademark and copyright filings, regulatory compliance advisory, and dispute resolution support. The platform has been instrumental in assisting businesses with structuring investment deals, developing data privacy frameworks compliant with international standards such as GDPR and CCPA, and managing intellectual property portfolios across jurisdictions.

By leveraging technology and a streamlined operational model, My Legal Pal provides legal services at a fraction of the cost typically associated with top-tier law firms. This approach has enabled businesses, particularly in the fintech, e-commerce, real estate, and health sectors, to access high-quality legal support without incurring prohibitive expenses.

The platform's backend system is designed to match clients with legal professionals best suited to their specific needs, ensuring efficient and tailored service delivery. This client-centric model has facilitated the resolution of numerous consumer and commercial disputes through both litigation support and alternative dispute resolution mechanisms.

Pro Bono Initiatives

Recognizing the importance of legal accessibility, My Legal Pal has provided pro bono legal opinions in select cases involving cyber fraud, workplace rights, and family law matters. These efforts aim to support individuals who might otherwise lack the resources to seek legal assistance.

Future Endeavors

Looking ahead, My Legal Pal plans to integrate tools for document automation and risk assessment into its platform. Additionally, the company intends to expand its jurisdictional reach and develop industry-specific legal offerings to better serve its diverse clientele.
