*Prime 1 Studio has announced the 'Cyberpunk: Edgerunners David' statue. Pre-orders began May 15, 2025 (JST); release set for November 2026.*

ASAKUSA, TAITO-KU, TOKYO, JAPAN, May 16, 2025 /EINPresswire.com/ -- Prime 1 Studio is proud to announce the release of a 1/4 scale statue of David from the anime "Cyberpunk: Edgerunners," as part of the "Real Elite Masterline" series.

This statue captures David and his crew with a unique blend of visual styles from both the anime and the original video game "Cyberpunk 2077." As stated by CD PROJEKT RED producer Satoru Eldar during Prime 1 Studio's video "NEXT LEVEL SHOWCASE XIII," David's key features—including his hairstyle, facial expression, and signature yellow jacket—have been faithfully interpreted with inspiration from the anime and reimagined through detailed three-dimensional sculpting.

The statue's custom base is modeled after the "Afterlife" bar from "Cyberpunk 2077." It features LED lighting, weathered stickers, crushed cans, and other intricate details that evoke the atmosphere of "Night City."
