Is there more to the growth story?

Yes, the increasing demand for landscaping services is also expected to drive the gardening equipment market. Enhanced property value, outdoor living spaces, sustainable practices, urbanization, and higher disposable incomes are all factors contributing to the increased demand for landscaping services. For instance, as per a June 2024 report by InsuranceBee Inc., a US-based insurance agency, the number of landscaping businesses in the US hit 641,782, marking a 3% growth since 2022.

Who occupies center stage in the gardening equipment market?

Industry giants such as Honda Power Equipment Manufacturing Inc., Robert Bosch GmbH, Deere & Company, Black & Decker, STIHL Holding AG & Co. KG, Makita Corporation, The Toro Company, Greenworks Tools, Fiskars Group, Craftsman, ECHO Incorporated, Herb Urban, Felco SA, Truper S.A. de C.V., Ronix Tools, Wilkinson Sword, Garrett Wade Company Inc., Gairdin, CobraHead LLC, WORX, play pivotal roles in the gardening equipment market.

Are there new market trends?

Yes, companies focus on developing innovative products like hedge shears to enhance cutting efficiency, durability, and user comfort. For example, in March 2023, FELCO SA launched the FELCO 250 hedge shear and four new folding saw models – boasting efficient wood removal, reduced friction, and enhanced durability.

How is the gardening equipment market segmented?

The gardening equipment market is segmented in terms of product into Lawn Mowers, Hand

Tools & Wheeled Implements, and Water Equipment. The market is also segmented by Sales Channels and End-use into Residential, Commercial, and Government sectors. Comprehensive subdivisions into Lawn Mowers, Hand Tools & Wheeled Implements, and Water Equipment provide further clarity.

What Is The Regional Analysis Of Gardening Equipment Market?

With North America being the largest region in the gardening equipment market in 2024, the market geography is widespread. What's attention-grabbing is that Asia-Pacific appears to be the fastest-growing region in the forecast period - a space to watch for businesses.
