

UK's Divorce Expert Reveals 10 Little-Known Tricks That Can Save You Thousands During a Split

Mark Keenan, the Founder & CEO of Divorce-Online.co.uk, has released the Top 10 Tricks Smart Brits Use to Divorce Faster, Cheaper, and With Less Stress.

SWINDON, UNITED KINGDOM, May 12, 2025 /EINPresswire.com/ -- With divorce rates climbing and legal costs soaring, Mark Keenan, the Founder & CEO of [Divorce-Online.co.uk](https://divorce-online.co.uk), has released a new guide revealing the Top 10 Tricks Smart Brits Use to Divorce Faster, Cheaper, and With Less Stress.

The guide is a direct response to what Keenan calls the "solicitor-first reflex" – the outdated belief that a costly court battle is the only way to end a marriage.

"Most people are shocked to learn they can get divorced without stepping into a courtroom – and without spending thousands," said Keenan, whose firm has helped over 200,000 couples split amicably since 1999.

The top tips include:

Starting with the money, not the marriage – agreeing finances first helps avoid long delays.

Using a Clean Break Clause to stop future claims on pensions, inheritances, or property.

Choosing fixed-fee online services to avoid unpredictable solicitor fees.

Keeping things civil and avoiding drawn-out arguments over small possessions.

Keenan also warns against delaying action, especially under the new no-fault divorce rules, which allow couples to apply jointly and remove the need to assign blame.

“We want to show people there’s a smarter, calmer, and more cost-effective way to separate,” he said.

The Top 10 Tricks Guide is now available on [The Divorce-Online Blog](#) , along with fixed-fee services starting from £199 for an uncontested divorce and £399 for a consent order.
