“

Our goal is to serve Monterey residents with solutions that are both functional and regionally appropriate”

Steve Stewart

As homeowners in Monterey seek durable, stylish, and energy-conscious window solutions, Signature Glass & Windows, Inc. is reinforcing its commitment to helping the community improve comfort, energy efficiency, and property value. With decades of experience and deep roots in the Central Coast, the company continues to offer a wide range of residential window options, including vinyl, fiberglass, and aluminum windows, as well as custom-fit

solutions for new builds and renovations.

“Our goal is to serve Monterey residents with solutions that are both functional and regionally appropriate,” said Steve Stewart, President of Signature Glass & Windows, Inc. “The rise in local demand for [better residential window performance](#) has made it clear that homeowners are prioritizing energy savings, natural light, and modern design more than ever.”

Meeting Monterey's Needs: Why Residential Windows Matter Now

Industry data shows that California homes lose up to 30% of heating and cooling energy through inefficient windows. As energy codes tighten and consumer awareness increases, window replacement and installation have become a critical component of home improvement projects.

Signature Glass & Windows, Inc. offers homeowners access to advanced window systems that address these challenges with:

- Energy-efficient glazing that meets or exceeds California Title 24 standards
- Noise-reducing features ideal for urban and coastal areas
- Durable frames and finishes designed for Monterey's coastal climate
- Custom sizing and expert installation by licensed professionals
