CHICAGO, IL, UNITED STATES, May 14, 2025 /EINPresswire.com/ -- eATLAS, The Unforgettable Adventure App, has revealed the coveted trophy for its upcoming flagship event: The 4th Annual Chicago ScavHunt-Flavors of Chicago, which will take place May 30—June 1, 2025.

In addition to taking home \$1000, the winning "ScavSquad" will be presented at the June awards party with a custom art trophy [from Doorways of Chicago](#). Created by photographer, designer, author, and influencer Ronnie Frey, this framed piece depicts the magic of the Chicago River at sunset and is on display at the Doorways of Chicago studio inside the famed Fine Arts Building on Michigan Avenue.

This year's ScavHunt theme, "Flavors of the City", is developed in partnership with popular local influencers Dario Durham and Sara Faddah from 77 Flavors, will encourage players to seek out different flavors that reflect the culture, history, and of course, food diversity of the Windy City. Each stop in the "Flavors of the City" ScavHunt will require players to dig beneath the surface of what they thought they knew about Chicago. History buffs, foodies, adventurers, and anyone looking for some weekend fun will relish the challenge of uncovering the treats hidden in this game.

Additional money prizes will be awarded to ScavSquads for other categories, including Biggest Influencer, Most Creative Costume, Best ScavSquad Name and Top Fundraiser, for driving the biggest donations to the fundraising partner, Respiratory Health Association, via the [RHA Team Donor Page](#).
