

Silverwork Studios Relocates to Sausalito: A New Chapter Begins for DIY Jewelry Studio

The studio, located at 305 Caledonia Street in Sausalito, offers an inspiring destination for Bay Area locals and visitors to craft custom jewelry.

SAUSALITO, CA, UNITED STATES, May 14, 2025 /EINPresswire.com/ -- After three successful years in San Rafael, [Silverwork Studios](#), the beloved DIY jewelry workshop studio in the Bay Area, is thrilled to announce its relocation to the picturesque waterfront town of Sausalito. The new studio, located at 305 Caledonia Street, offers an inspiring and accessible destination for Bay Area locals and visitors to unleash their creativity by crafting custom jewelry.

“

Bringing a creative jewelry-making experience to Sausalito blends hands-on art with coastal charm, offering locals and visitors a unique way to create, connect, and make memories.”

"We heard from our clients that they wanted us to be closer to San Francisco, and Sausalito felt like the perfect fit," says Amy Fitzgerald, co-founder and owner of Silverwork Studios. "What better way to spend a day than taking the ferry to this beautiful, charming seaside town, creating your own custom jewelry piece, and enjoying one

of the many amazing local restaurants."

Just a short stroll from the Sausalito ferry terminal and with ample nearby parking, the new space features everything guests love about Silverwork Studios, with a few delightful additions. The studio now features a private garden patio, the perfect venue for hosting bachelorette parties, birthdays, girls' nights out, or a romantic date night experience. Guests can enjoy hands-on, guided jewelry-making workshop sessions inside the studio, then unwind in the outdoor space while surrounded by the natural beauty and artistic charm Sausalito is known for. The studio also offers permanent jewelry, an increasingly popular trend, where clients can create custom-fitted, clasp-free bracelets or anklets that are welded on for a lasting, elegant look, as well as an extensive charm bar to make custom charm bracelets.

Silverwork Studios has earned a loyal following and hundreds of 5-star [reviews](#) for its personalized approach, helping guests of all skill levels and ages create professional-quality jewelry in a warm, welcoming environment. Workshops are geared for beginners, with clients

learning basic soldering skills; an exciting, hands-on experience of melting metal. With its move to Sausalito, the studio enters an exciting new chapter, closer to San Francisco and ready to charm new guests and returning guests alike.

Silverwork Studios opens in Sausalito, CA on May 31, 2025 at 305 Caledonia Street.
