

Cordisco & Saile Attorneys Honored with Membership in The National Traumatic Brain Injury Association

Cordisco & Saile attorneys Michael Saile, Jr. and John Cordisco recognized for their dedication to brain injury advocacy, education, and support.

BUCKS COUNTY, PA, UNITED STATES, May 12, 2025 /EINPresswire.com/ -- [Cordisco & Saile](#) attorneys [Michael L. Saile, Jr.](#) and [John F. Cordisco](#) have been named as official members of the National Traumatic Brain Injury Association (NTBIA), recognizing their ongoing commitment to advocating for victims of traumatic brain injuries (TBI).

Attorneys Michael Saile, Jr. and John Cordisco honored as members of the National Traumatic Brain Injury Association for their advocacy and leadership.

The NTBIA is a leading national organization dedicated to empowering individuals, families, caregivers, and professionals impacted by TBI through education, advocacy, and innovation. Membership is extended to attorneys who devote significant portions of their practice to representing TBI victims in personal injury, civil litigation, and related fields.

“

At Cordisco & Saile, we believe that education is just as important as advocacy when it comes to traumatic brain injuries.”

Michael L. Saile, Jr.

Both Saile and Cordisco have built careers around standing up for the seriously injured, particularly those whose lives have been altered by brain injuries. Their recognition by NTBIA reflects their passion not just for courtroom advocacy, but for promoting greater understanding and support for brain injury survivors across Pennsylvania and

beyond.

“At Cordisco & Saile, we believe that education is just as important as advocacy when it comes to traumatic brain injuries,” said Managing Partner Michael Saile, Jr. “We are committed to providing

resources that empower individuals and families to navigate these complex injuries with the knowledge and support they need.”

As part of this mission, Cordisco & Saile offers an extensive collection of TBI resources, including a Concussion Awareness Quiz, survivor information, and legal support materials, available to the public at www.cordiscosaille.com.

Cordisco & Saile’s dedication mirrors NTBIA’s larger mission: bridging the gap between medical and legal professionals to improve the quality of life for those impacted by traumatic brain injury.

For more information about Cordisco & Saile’s brain injury resources and legal services, visit cordiscosaille.com.

About Cordisco & Saile Injury Lawyers

Cordisco & Saile Injury Lawyers has built a reputation for compassionate, skilled representation of injured victims across Bucks County, the Lehigh Valley, and throughout Pennsylvania. With decades of combined experience, the firm is committed to fighting for the rights of those hurt by negligence, while also providing critical education and support to help clients move forward after serious injuries.
