

# Erik Hartman Joins Legacy Makers TV to Share Insights on Faith, Freedom, and Finding Joy in the Journey

FL, UNITED STATES, May 12, 2025

/EINPresswire.com/ -- Erik Hartman, entrepreneur and founder of a 3D crystal business, is set to appear on Legacy Makers TV, where he will share insights on the mindset, faith, and resilience it takes to build success from humble beginnings—and how true transformation comes from within.

Legacy Makers is a cinematic docu-series that spotlights entrepreneurs and change-makers by capturing their personal and professional journey. This unique TV show, hosted by Rudy Mawer, features top names such as Carmen Electra and many more to be announced soon.

In his episode, Hartman will explore how a childhood snow-shoveling hustle turned into a life of entrepreneurship—from leaving corporate America to sell selfie sticks to launching his latest venture. He breaks down why joy matters more than material gain, how to block out doubt, and the formula he lives by: belief plus faith, multiplied by action, equals transformation. Viewers will gain encouragement to dream big, stay grounded, and finish strong—no matter where they start.

“Belief + Faith x action = transformation,” said Hartman.

Erik’s episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://www.legacymakerstv.com/erik-hartman>.
