

# David Segraves Joins Legacy Makers TV to Share Insights on Innovation, Pain Management, and the Fight Against Opioids

FL, UNITED STATES, May 12, 2025

/EINPresswire.com/ -- David Segraves, founder of Elite Pain Doctors, is set to appear on Legacy Makers TV, where he will share insights on transforming patient care, overcoming personal doubt, and building one of America's fastest-growing healthcare businesses without relying on addictive treatments.

Legacy Makers is a cinematic docu-series that spotlights entrepreneurs and change-makers by capturing their personal and professional journey. This unique TV show, hosted by Rudy Mawer, features top names such as Carmen Electra and many more to be announced soon.

In his episode, Segraves will explore his journey from growing up in a family of chiropractors to launching a multi-location medical practice focused on minimally invasive solutions for chronic pain. He breaks down the mindset shifts that helped him overcome early struggles and scale his proven model across multiple states, helping viewers understand how purpose, innovation, and collaboration can drive lasting impact—especially in the fight against opioid dependence.

“Focused on changing the landscape of healthcare,” said Segraves.

David's episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://www.legacymakerstv.com/david-segraves>.
