

Kristin Revere Joins Legacy Makers TV to Share Insights on Empowered Parenting, Sustainable Leadership, and Support

FL, UNITED STATES, May 12, 2025 /EINPresswire.com/ -- Kristin Revere, founder and CEO of Gold Coast Doulas, is set to appear on Legacy Makers TV, where she will share insights on building a mission-driven business, empowering families through education, and redefining what it means to offer support in both parenting and entrepreneurship.

Legacy Makers is a cinematic docu-series that spotlights entrepreneurs and change-makers by capturing their personal and professional journey. This unique TV show, hosted by Rudy Mawer, features top names such as Carmen Electra and many more to be announced soon.

In her episode, Revere will explore how personal experience inspired the creation of a full-service doula agency, emphasizing the importance of education, adaptability, and sustainable leadership. She breaks down the strategies that expanded her team from four to 26 doulas, the pivot to virtual services during the pandemic, and the development of resources like the "Becoming a Mother" course and the book *Supported: Your Guide to Birth and Baby*, helping viewers understand the broader relevance of these initiatives in creating impactful support systems.

"Start with the support you wish you had. Gold Coast Doulas was born from my own need for care — and built to make sure others never feel alone in those early parenting days," said Revere.

Kristin's episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://www.legacymakerstv.com/kristin-revere>.
