

SportsEdTV Joins Free Live Sports' FAST Channel Lineup, Expanding Access to World-Class Instructional Content

SportsEdTV joins FreeLiveSports.tv, bringing world-class coaching content to millions via FAST streaming. Learn. Watch. Play.

MIAMI, FL, UNITED STATES, May 13,

2025 /EINPresswire.com/ --

[SportsEdTV](#), the leading producer of expert-driven sports instruction and education, launched today on FreeLiveSports.tv, a groundbreaking Free Ad-Supported Streaming Television (FAST) platform owned and operated by [Sports Studio](#) Inc. This new partnership marks a significant step in SportsEdTV's mission to make elite coaching and training content available to athletes, coaches, and sports enthusiasts worldwide.

Through this collaboration, SportsEdTV's instructional content will now be available as on-demand programming on Free Live Sports, with live linear channel availability coming soon, bringing world-class instruction to millions of additional households globally.

"By aligning with FLS, we can expand our reach," said Robert Mazzucchelli, Co-Founder and Chairman of SportsEdTV. "Our mission of making coaching content available to everyone is now expanded to millions of households through this partnership."

By joining Free Live Sports, SportsEdTV becomes part of the world's leading free sports

streaming platform. With more than 120 live sports FAST channels, along with numerous VOD programs and films, viewers not only have front-row seats to global sports events but also have direct access to the tools and knowledge to improve their own game. Currently, the FreeLiveSports.tv app can be accessed at no cost on Roku Sports Zone, Amazon Fire TV, VIZIO, iOS, tvOS, and Android devices.

“Free Live Sports aims to be all things to all sports fans,” said Cathy Rasenberger, Co-President of Sports Studio, Inc.. “By adding SportsEdTV’s expert-driven instructional content as on-demand content and soon in our live linear channels, we’re giving viewers more than just a front-row seat to our live games — we are giving them the tools to get into the game. It’s about inspiration and access — uniting fans, learners, and athletes of all levels in one platform.”

About SportsEdTV
