

Mandrill Tech Celebrates Quadruple Milestone

*Lestar AI Launch, New Headquarters,
New Logo, and 10-Year Anniversary*

KUALA LUMPUR, WILAYAH
PERSEKUTUAN, MALAYSIA, May 13,
2025 /EINPresswire.com/ -- [Mandrill](https://www.mandrilltech.com/)
Tech marked a significant chapter in its
journey with a grand quadruple
celebration at its brand-new
headquarters in Empire City on the 7th
of May 2025. The event celebrated the
official opening of their state-of-the-art
office, the unveiling of a fresh new
company logo, the highly anticipated launch of their innovative [Lestar AI](#) Platform, and the
commemoration of the company's 10th anniversary.

Davent Low, CEO of Mandrill Tech Sdn. Bhd.

“

Now, with Lestar AI, we have
a powerful tool to take all
digitalisation to the next
level, enabling businesses to
harness the true potential of
AI in their ongoing journey.”

*Davent Low, Chief Executive
Officer of Mandrill Tech Sdn
Bhd.*

The morning was graced by the presence of esteemed VIP
guests including Dato Eddie Ong and Michelle Ong from
Hextar Group, Peter Murray of AWS Malaysia, Mark Goh of
G-Asia Pacific, Dato Seri Pierre of Proneer, Datuk Clifford of
Gambit Group, Datuk Harjit Singh Sidhu of HSS Advisory,
alongside Mandrill Tech's CEO, Davent Low, and numerous
valued clients, partners, and the Mandrill Tech team.

The highlight of the event was the unveiling of the Lestar AI
platform, a powerful toolkit designed to integrate Artificial
Intelligence into organisational operations with a strong
focus on Environmental, Social, and Governance (ESG) and

real-time financial analytics through CEO360. The platform aims to empower businesses to drive
innovation, enhance efficiency, and achieve strategic growth while contributing to a more
sustainable and responsible future.

Adding to the excitement, Mandrill Tech announced significant strategic collaborations with two
industry giants: AWS Malaysia and G-Asia Pacific. These partnerships are poised to bring
unparalleled scalability, robustness, and expanded reach to the Lestar AI.

"Today marks an incredible milestone for Mandrill Tech as we celebrate not just the launch of

our groundbreaking Lestar AI, our beautiful new headquarters, and our refreshed logo, but also our 10th anniversary," said Davent Low, CEO of Mandrill Tech. "The last decade has been a journey of growth and transformation, starting from humble beginnings with just five people. We are immensely grateful to all our partners who have supported us along the way and have been instrumental in shaping who we are today."

In reflecting on the company's evolution, Mr. Low added, "Initially, our focus was on guiding companies through their digitalisation journey. Now, with Lestar AI—which includes ESG and CEO360 solutions—we have a powerful tool to take all digitalisation to the next level, enabling businesses to harness the true potential of AI in their ongoing journey."

Peter Murray, the Country Manager and Regional Manager of AWS

Malaysia, expressed his enthusiasm for the collaboration, stating, "AWS Malaysia is proud to collaborate with Mandrill Tech on this exciting venture. We are very impressed with their dedication and the innovative potential of the Lestar AI, which we believe will significantly contribute to the Malaysian tech landscape."

Mark Goh, CEO of G-Asia Pacific, echoed this sentiment, saying, "G-Asia Pacific believes that Mandrill Tech is headed in the correct direction with their focus on AI and ESG. We are glad to be partnering with them and look forward to a successful journey forward together."

The event continued with a vibrant Lion Dance performance, followed by lunch, office tours showcasing the new AI Experience Centres, and concluded with an afternoon networking session.
