

Sharp Dentistry & Associates Celebrates 25 Years in Miami with a Fresh New Look and Advanced Technology

Sharp Dentistry & Associates marks 25 years in Miami with a refreshed look and cutting-edge dental technology for enhanced patient comfort and care.

MIAMI, FL, UNITED STATES, May 13, 2025 /EINPresswire.com/ -- Sharp Dentistry & Associates, a trusted [Miami dentist](#) for 25 years, is excited to reveal its newly renovated office. The updated space features a modern design and the latest dental technology, ensuring a comfortable and high-quality experience for all patients.

Dr. Bruno Sharp

For over three decades, Sharp Dentistry & Associates has been a leader in cosmetic, restorative, and general dentistry. The new office reflects this commitment, creating an environment where patients receive high-quality care. With an elegant new look and modern equipment, the practice continues to set a high standard for dental care in Miami.

“Our goal has always been to provide the best dental care in a space that feels modern and welcoming,” said [Dr. Bruno Sharp](#), founder and lead prosthodontist. “With our upgraded office and state-of-the-art technology, we can offer even better treatments while making patients feel at ease.”

What’s New at Sharp Dentistry & Associates?

A Fresh New Look: The office has been redesigned with a stylish and relaxing atmosphere. Every detail—from the waiting area to the treatment rooms—was carefully planned to make visits more comfortable for the patients.

Advanced Digital Dentistry: Using the newest CEREC® CAD/CAM technology, patients can get crowns and veneers in just one visit—no more waiting for weeks!

3D CT-Scan Imaging: This high-tech tool gives clear, detailed images for precise treatment, especially for dental implants and surgery. Patients get more accurate and effective care.

All Dental Specialists in One Place: The clinic has expert dental specialists in Miami, including prosthodontists, periodontists, endodontists, and oral surgeons. Whether it's a simple check-up or a complex procedure, you don't need to visit different offices—Sharp Dentistry & Associates has everything under one roof.

In-House Dental Laboratory: Our [in-house dental lab](#) offers several advantages, including faster turnaround times, improved communication between dentists and technicians, and greater control over the quality and customization of dental restorations. Patients also benefit from reduced waiting times, a more personalized approach to treatment, and the potential for immediate adjustments.

Comfortable and Stress-Free: The new office is designed to help patients feel at ease. With calming colors, cozy seating, and the latest technology, even those with dental anxiety can have a relaxing experience.

The new design makes visits smoother and more enjoyable. Patients will feel calm and comfortable, knowing they are in good hands.

As Sharp Dentistry & Associates celebrates 25 years, the team remains dedicated to providing top-quality care to the Miami community. Whether you need a routine check-up or a full smile makeover, this Miami dentist continues to be the go-to place for all your expert dental care.

Aside from the new space and technology, however, the practice is still all about personalized care. Every patient receives a special treatment plan adapted to their particular needs—be it a cosmetic correction, restorative treatment, or preventive service. Their goal is not merely healthier smiles but confident patients.

Sharp Dentistry & Associates invites both new and long-time patients to visit the newly transformed office. The combination of experience, innovation, and patient-focused care ensures that every visit is a positive one.

The team is always looking for ways to improve. With the remodel complete, they continue to update techniques and equipment to provide the best possible care. Patients can expect ongoing upgrades that focus on comfort, safety, and satisfaction.
