

GetX Exchange Announces 25 USDT Reward for New Users Upon Completion of KYC Verification

GetX Exchange introduces a limited-time initiative offering a 25 USDT reward to new users who complete KYC verification without requiring any deposits

INDIA, May 13, 2025 /

EINPresswire.com/ -- GetX Crypto Exchange, a leading cryptocurrency exchange, has announced the launch of a limited-time user verification reward initiative. As part of its ongoing commitment to improving security and user experience, the exchange is offering a \$25 USDT voucher to the first two million users who successfully complete the Know Your Customer (KYC) verification process.

Complete KYC and Claim Your \$25 Bonus

GetX has also released a significantly upgraded version of its mobile application on the Google Play Store for a faster, more secure, and user-friendly experience.

“

GetX operates globally to assure crypto trading is accessible for everyone by providing features like simple earn, referral programs, voting contests, prediction gaming, and a lot more”

Priyadharshini
Suriyanarayanan(CEO)

The \$25 USDT reward program is intended to promote identity verification among users, an important measure in confirming regulatory compliance and building a trustworthy trading environment.

Expansion of Trading Services and Educational Offerings

In addition to launching the reward initiative and app upgrade, GetX, the [best crypto trading app in india](#), continues to expand its range of cryptocurrency trading

services. The platform supports several trading modes, including:

Spot Trading: For direct buying and selling of a wide variety of cryptocurrencies.

Options Trading: Designed for experienced users to manage risks and potentially enhance returns.

P2P (Peer-to-Peer) Trading: Enables secure, direct cryptocurrency transactions between users.

USD-M Futures: Offers leveraged futures contracts tied to stablecoins.

Launchpad Access: Allows early participation in emerging blockchain projects.

To encourage knowledge-based [cryptocurrency trading in india](#), GetX also operates an educational arm under its 'GetX Academy Program.' This resource center includes free lessons and materials on blockchain technology, digital asset markets, and financial literacy for a better understanding of the crypto ecosystem.

Community Engagement Through Programs and Contests

GetX, the [crypto exchange in india](#), has introduced various community-based initiatives to reward user participation. Among these programs are referral and affiliate schemes that offer commissions for bringing new users to the platform.

A voting contest system is also in place to let the community help determine which projects get listed on the platform, with selected participants receiving additional incentives. For individuals interested in making passive income, the platform offers staking options and flexible savings plans.

About GetX

GetX Crypto Exchange is a global digital asset trading platform that contains advanced safety protocols, including two-factor authentication (2FA), cold wallet storage, and regular third-party audits for the safety of user assets and data. The platform provides a variety of trading solutions, reward-based programs, and educational content to support both beginners and experienced users in the digital economy.
