The Distinguished Gentleman's Ride is a global motorcycle event that raises funds and awareness for Movember. The event supports prostate cancer research and men's mental health programs. Thousands of participants will don their finest vintage attire and ride classic-style bikes to rally for a cause.

Rogue Aviation's involvement underscores its commitment to the local community and passion for adventure with purpose.

“At Rogue, we believe purpose and adventure go hand in hand,” said Matt Barnes, co-owner and director of education at Rogue Aviation. “We're excited to support the Distinguished Gentleman's Ride—not just as a sponsor, but as part of a movement that's helping men around the world live longer, healthier lives. The Pilot Experience is our way of saying thank you to the ride's top changemaker.”

The Orange County ride culminates at Hot Rods & Handguns in Huntington Beach, where Rogue Aviation will host an interactive booth. Attendees are encouraged to stop by, meet the Rogue crew, and learn about flight training and discovery flights.

Attendees will also receive 15% off any tour or Pilot Experience booked that day and a code for 10% off online following the event—a unique gift idea for Father's Day and graduation celebrations.
