LINDENHURST, IL, UNITED STATES, May 14, 2025 /EINPresswire.com/ -- [The Village at Victory Lakes](#), a Franciscan Community is proud to have achieved a five-star overall rating from the Centers for Medicare and Medicaid Services (CMS). This is the highest level of achievement in the Quality Rating System implemented by CMS.

Our 5-Star CMS rating is a testament to the dedication and expertise of our team of associates."

Anshu Raina, Executive Director

"Our 5-Star CMS rating is a testament to the dedication and expertise of our team of associates," said Anshu Raina, Executive Director. "We are committed to delivering the highest quality care and creating an environment where residents thrive, both physically and emotionally."

According to CMS, the Five-Star Quality Rating System was created to help consumers, their families, and caregivers

compare nursing home communities. Each community receives an overall rating, as well as separate ratings for health inspections, staffing and quality measures. The Nursing Home Care Compare website features a quality rating system that gives each nursing home a rating of between 1 and 5 stars. Nursing homes with 5 stars are considered to have much above average quality and nursing homes with 1 star are considered to have quality much below average.
