"This is the second year we have used this company for a spring garden clean up of a huge garden...their work is meticulous..arrived on time with a crew and did an amazing job..left the property in pristine condition..absolutely excellent..highly recommend."

"5 Stars – Exceptional Landscaping Services! I couldn't be happier with the work done by Mr. Cameron! From the very beginning, his team was professional, punctual, clean, and incredibly detail-oriented. They completely transformed the back yard at my house and cottage into a beautiful, functional space that I now love spending time in. The cottage was a very challenging space because of the aggressive sloping backyard. I attached photos of his work to prove the quality but the photos still don't do it justice. What really stood out was their ability to take my vision and bring it to life—even better than I imagined. Whether it was the lush greenery, clean edging, or flawless hardscaping, decking every part of the project was handled with care and precision. Communication was clear throughout the entire process, and they finished on time and within budget. I've already received so many compliments from neighbors! If you're looking for a landscaping company that delivers top-tier results with friendly, reliable service, look no further. Highly recommended!"

"Cameron and his team do some of the best work out there! They are friendly, professional, reliable and efficient. Will definitely be calling them out again to help with my yard!"

"Reached out to Cameron and his team over a weekend - he was at our place by the following Tuesday morning to provide a quote, and began work a week later. It was a surprise for my spouse while away on a business trip, so Cameron's team worked around when my husband was away to facilitate this. The team was at my place by 6am both days, and worked straight through in order to get everything done on time. Massive clean up of a farm property, stump grinding, tree removal, drainage and flowerbeds around perimeter of house. I will most certainly be using Cameron and his team for future projects! Young crew, and more professional than most I've dealt with over the years. Amazing work."

The Estate Property Services team consistently goes above and beyond to ensure outstanding property management services for every client.
