DALLAS, TX, UNITED STATES, May 14, 2025 /EINPresswire.com/ -- Dallas, TX – May 14, 2025 – Goodwill Industries of Dallas is excited to announce the grand opening of its newest location, a state-of-the-art store and donation drop-off center, set to open its doors on June 5, 2025. This store is the non-profit's 19th location in its eight-county service area and represents Goodwill's mission-integrated social enterprise that is dedicated to helping people with barriers recognize and reach their full potential through the power of a job.

The new store, located at 3621 North Josey Lane, Carrollton, TX 75007, will be a one-stop shop for neighbors looking to find a new home for their donated goods and for families and treasure hunters looking for affordable, quality goods, including clothing, household items, and electronics. The donation drop-off center will feature a drive-thru and online receipt process, making it easier than ever to donate gently used items with convenience and confidence that each donation has a 100% local impact.

"We are thrilled to open a second store here in Carrollton, which reflects our ongoing dedication to helping the environment through the reuse and recycling of the community's generous donations and to helping individuals through our mission of changing lives, one job at a time," said Tim Heis, President & CEO of Goodwill Industries of Dallas. "Every purchase made, and every item donated directly supports our free career training and job placement programs, making a tangible difference in the lives of many."

The grand opening celebration will kick off at 9:00 AM on June 5th, featuring special promotions, refreshments, and family-friendly activities. Members of the community are invited to join us in celebrating this significant milestone in Goodwill's mission to empower North Texas to achieve

their life goals by providing the tools and resources needed.
