

# READI Collect Expands to Over 1,100 Collectors Nationwide and Launches Version 2.0 of Its Industry-Leading App

WILMINGTON, DE, UNITED STATES, May 15, 2025 /EINPresswire.com/ -- READI Collect, a pioneer in mobile drug and alcohol testing solutions, proudly announces two significant milestones: the expansion of its mobile collector network to over 1,100 certified professionals across the United States and the release of Version 2.0 of its innovative mobile application.

With this expansion, READI Collect now boasts one of the largest networks of certified mobile collectors in the nation, ensuring rapid and reliable testing services for employers, particularly those adhering to Department of Transportation (DOT) regulations. The enhanced network facilitates quicker response times and broader coverage, enabling more efficient post-accident and scheduled testing.

The graphic features a dark blue background with a large red diagonal stripe. On the left, the READI Collect logo is displayed above a list of features: NATIONAL COVERAGE, COMPANY PORTAL, PATENTED READI NETWORK APP, and 24/7 CUSTOMER SERVICE. A red button labeled 'LEARN MORE' is positioned below these features. At the bottom left, the website 'readicollect.com' is shown with a globe icon. On the right side of the graphic, the text 'READI COLLECT SYSTEM' is written in large, bold, red letters. Below this, three sections are listed: DETAILED REPORTS, AUDIT ASSISTANCE, and a brief description of the system's capabilities.

**DETAILED REPORTS**  
From your customer portal you can see reports for every event with details like; precise location and time stamps of event initiation and every step of interaction along the way to completion. Depending on the type of event you may see scene photos, witness accounts, weather, and road conditions and many more all presented in a clear and concise format.

**AUDIT ASSISTANCE**  
If any event is audited by a DOT agent or an insurance or law enforcement agent, we are here to help provide you with exact reporting and as needed expert witness support up to and including in court witness.

The ReadI Collect System

The newly released Version 2.0 of the READI Collect app introduces several user-centric features designed to streamline the testing process:

1. Enhanced User Interface: A more intuitive design for easier navigation and scheduling.
2. Real-Time Tracking: Improved GPS capabilities for monitoring collector arrival times.
3. Comprehensive Reporting: Detailed reports with time-stamped data and digital documentation.

These advancements aim to provide employers with a seamless experience, ensuring compliance with regulatory requirements and promoting workplace safety.

"Our growth to over 1,100 collectors and the launch of Version 2.0 represent our commitment to providing unparalleled service in the mobile testing industry," "We are dedicated to leveraging technology to meet the evolving needs of our clients." - ReadI Collect Team
