Alana Monteiro, a rising star with over 6.5 million Instagram followers, first made her mark as a top international model and actress before emerging in the music scene with acclaimed singles like “High” and “Miss No More.” Her latest track further showcases her evolution as a songwriter and performer, earning praise for its heartfelt delivery and polished production.

Butch Tavares, a founding member of the iconic R&B group Tavares, won a Grammy Award for contributions to the Saturday Night Fever soundtrack and remains one of the genre’s most respected voices. With classics like “Heaven Must Be Missing an Angel” and “It Only Takes a Minute,” Tavares helped define the soul and disco era of the 1970s.

“This song is deeply personal,” said Monteiro. “Collaborating with Butch was an honor—his legacy brought depth and authenticity to the story we’re telling.”

Tavares added, “Alana’s passion and talent were clear from the start. Our voices came together to create something truly moving.”
