## Five New Client Partnerships

In H1, Scalo expanded its client portfolio with five forward-thinking companies, each bringing unique challenges and opportunities. Scalo's [agile development teams](#) will be involved in the creation of:

We're grateful to our clients and team members for making this season a success. Together, we're building solutions that matter."

*Lukasz Pol, Head of Business Development, Scalo*

- A cutting-edge smart home platform redefining how users interact with their living spaces
- Advanced EV charging systems supporting the shift to sustainable transportation
- Streamlined business [cloud](#) solutions enhancing team productivity
- Robust embedded communication systems improving device connectivity
- An innovative fintech platform facilitating cross-border digital payments

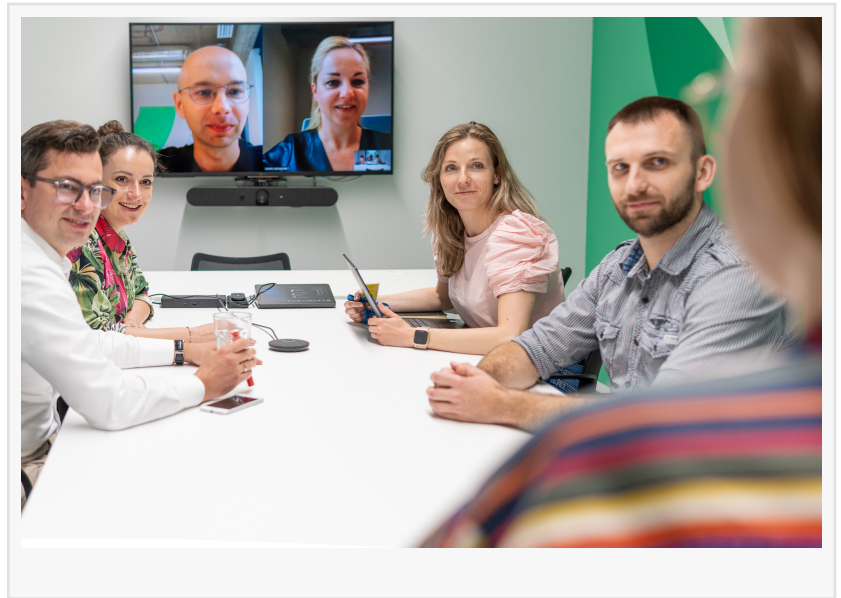

"These contracts are more than just projects - they're partnerships with businesses that share our commitment to quality and innovation," said Łukasz Pol, Head of Business Development at Scalo.

## Technical Training in a Historic Setting

To cap off the season, Scalo's team joined one of its banking clients for a technical training retreat at the picturesque 19th-century Lochow estate. The offsite combined hands-on learning with team bonding, featuring sessions on:

- Advanced Azure cloud environment navigation
- Best cloud security practices
- Real-world applications of leading cloud approaches

Beyond the training, the retreat fostered deeper connections through friendly competition at the bowling alley and insightful conversations over coffee.

### Looking Ahead

The momentum from Q1 sets the stage for an exciting Q2. The skills honed during the retreat are already being applied to client projects, and new partnerships are inspiring fresh approaches across the board.

"We're grateful to our clients and team members for making this season a success," added Pol. "Together, we're building solutions that matter."
