

NEW YORK, NY, UNITED STATES, June 3, 2025 /EINPresswire.com/ -- The [TITAN Brand Awards](#) has officially announced the winners of its first season for 2025, celebrating brands, agencies, and creative professionals from around the world whose work reflects the power of strategic thinking, and long-term impact. This year's winners have delivered exceptional branding and advertising.

The winners this year delivered work that moved audiences with intent, conveying the most impactful messages behind every campaign or idea."

In this latest season, the TITAN [Brand Awards](#) has attracted hundreds of entries from worldwide countries such as the United States, Canada, Saudi Arabia, Germany, China, United Arab Emirates, and many more. Submissions covered broad ranges of branding elements, ranging from visual identities, corporate rebranding to sustainable designs and strategies.

forefront, building brands with consistency and purpose, including notable names such as Amgen, REQ, Indeed, Rocket, Innomotics GmbH, and many more, reflecting a clear understanding of audience, message clarity, and marketing impact.

For the full list of [TITAN winners](https://titanbrandawards.com/) in branding and advertising excellence, visit <https://titanbrandawards.com/>.

Professional & Blind Judging Process
All entries were reviewed by a global panel of leaders and creative professionals with extensive industry experience. The implementation of a blind judging process emphasized clarity and consistency in evaluating how each project was developed and presented. Every decision was made independently, ensuring that recognition was based purely on the strength of the entry itself.

2025 TITAN Brand Awards S2 Call for Entries

“Branding starts with clarity: about who you are, who you serve, and what you stand for,” said Thomas Brandt, spokesperson of IAA. “The winners this year delivered work that moved audiences with intent, conveying the most impactful messages behind every campaign or idea. Each winner in TITAN is capable of showcasing how brand thinking influences trust, recognition, and long-term value.”
