

LA's Classic T-Shirt Co Debuts 100% Organic Tees for Men & Women, Healthy Living

This new collection is part of The Classic T-Shirt Company's broader mission to redefine sustainable fashion by promoting healthy living and mindful consumption

LOS ANGELES, CA, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- [The Classic T-Shirt Company](#), a family-run brand known for its ethical production and versatile designs, is proud to announce its expanded lineup of men's and [women's t-shirts](#) and sweatshirts, all made in Los Angeles using 100% organic cotton. Reflecting a commitment to healthy living, sustainability, and premium quality, the new range caters to consumers seeking everyday essentials that align with eco-friendly values and local craftsmanship.

"I've worn our organic cotton tees exclusively for years because nothing else compares in softness or breathability," says Paul Garibian, Co-Founder of The Classic T-Shirt Company. "We're excited to extend that same comfort and durability into our sweatshirts—perfect for year-round layering or an active lifestyle."

Key Highlights

The Classic T-shirt Company

women's t-shirts

□ 100% Organic Cotton & LA-Made
Each tee and sweatshirt is crafted in Los Angeles from certified organic cotton—grown without harmful pesticides or chemicals—ensuring a skin-friendly and environmentally responsible choice.

□ Men's & Women's Fits

With dedicated styles for men and women, the collection offers inclusive sizing and modern silhouettes, catering to diverse body types and personal tastes.

□ Versatility for Active & Casual Wear

From sports (tennis, golf, boxing) to office layering under a blazer, or cozy weekend looks, these tees and sweatshirts transition effortlessly between work, play, and leisure.

□ Sustainable & Ethical

In addition to using GOTS-certified organic cotton, The Classic T-Shirt Company follows fair labor practices in its local facilities, ensuring transparency and high standards at every production stage.

□ Durable Design & Comfort

Superior stitching, breathable fabrics, and a focus on timeless cuts mean these garments are built to last, encouraging a “buy less, buy better” mindset that reduces waste.

Commitment to Healthy Living & Responsible Fashion
