Chair, BCBSMI*

enterprises, and health plans, Navvis provides solutions that accelerate the journey to value-based care. This partnership brings valuable expertise that will support the Task Force's efforts to advance high-quality, person-centered care.

“We are pleased to welcome Navvis to the Health Care Transformation Task Force,” said Theresa Dreyer, Task Force Interim Executive Director. “Their experience as an operational partner to health systems, plans, and physician

enterprises in delivering high-value care aligns seamlessly with our mission. As we continue working to advance value-based care adoption, Navvis brings important operational expertise and leadership to our collaborative.”

“At Navvis, we know that transformation in health care happens when people come together around a shared purpose,” said Micheal Eaton, Senior Vice President of Strategy at Navvis. “Joining the Health Care Transformation Task Force is an opportunity to collaborate with peers who are equally committed to delivering value.”

“Navvis offers a practical, system-level understanding of what it takes to implement value-based care effectively,” said Todd Van Tol, Task Force Chair and Executive Vice President of Health Care Value at Blue Cross Blue Shield of Michigan. “Their hands-on approach and strong partnerships will enhance our collective efforts to build a more effective and sustainable health care system.”
