According to the dispensary's detailed e-commerce analytics, the top-performing [cannabis brands](#) based on revenue during the first quarter of 2025 include established industry leaders as well as locally popular favorites. The brands that have prominently led revenue generation are:

“

Our position adjacent to LAX places us at a fascinating intersection between local culture and global travel, offering a unique vantage point for understanding diverse cannabis preferences”

Mikey Kush

Stiiizy
Lusty (LAXCC's house brand)
West Coast Cure
Raw Garden
Loudpack
Sparkiez
Bloom

The success of these brands underscores their strong market presence and consistent appeal, particularly at this key location near one of the busiest airports in the world. However, the report further highlights that the cannabis market in Los Angeles remains dynamic, with numerous other brands not listed in the top ten demonstrating robust consumer appeal and considerable sales.

"Our position adjacent to LAX places us at a fascinating intersection between local culture and global travel, offering a unique vantage point for understanding diverse cannabis preferences," explained Mikey Kush, Manager of LAXCC. "While our top ten list reflects the strongest revenue generators, we're seeing compelling evidence that many other brands outside this list are also thriving. This diversity suggests evolving tastes and an appetite among consumers for both trusted quality and innovative products."

Expanding on the success of brands beyond the leading ten, Kush emphasized, "Kush Co- top quality brand. Each 1/8th goes through high quality control ensuring the consumer gets the best possible nuggets quality."

The Q1 2025 report also highlights growing consumer interest in brands that effectively blend traditional quality with fresh, innovative approaches. "[Edibles](#) from Good Tide- High quality taste with a consistent high with every serving." noted Kush. "Their products are celebrated not just for their delicious taste but also for their reliably consistent effects, making them a favorite among both novice and experienced users."

LAXCC's analysis reveals critical insights into consumer behavior, emphasizing a significant market share for well-established brands that consistently deliver on quality. Simultaneously, the success of newer brands like Teds Budz- Social equity, minority owned and operated distribution. Exclusive exotic drops with premium marketing sure to catch your eye with unique packaging and hand procured quality.

The dispensary's strategic location near LAX has amplified its role in capturing broader national and international purchasing patterns, providing insights not only into Southern California's cannabis trends but also into wider cannabis market dynamics.

"Understanding these diverse preferences helps us better serve our customers, catering effectively to the needs of both local enthusiasts and curious travelers seeking a premium cannabis experience," added Kush.
