

# Excelsior University Enrolling Students in New Executive MBA program

*The program combines flexible online coursework and immersive on-location learning in three cities; online info sessions will be held May 20 and June 5.*

ALBANY, NY, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- Excelsior University is currently enrolling students in a new Executive Master of Business Administration (EMBA) program. Excelsior's EMBA offers an innovative hybrid learning experience designed for seasoned professionals seeking to become stronger, more resilient, forward-thinking leaders. Students will participate in immersive four-day on-location educational opportunities planned in the metropolitan areas of Albany, New York; Chicago; and St. Petersburg, Florida, while completing the rest of their coursework online. Students will graduate from the EMBA program in just one year with the leadership skills they need to move ahead in their careers.

“

The EMBA program is a bold step forward for Excelsior University, embracing new methods of learning in the evolution of our mission to help adult students succeed professionally through education.”

“The EMBA program is a bold step forward for Excelsior University, embracing new methods of learning in the evolution of our mission to help adult students succeed professionally through education,” said Leah Sciabarrasi, associate dean of the Excelsior University School of Business. “Through this intensive, hybrid program format, students get the best of both worlds: the flexible world-class online education Excelsior is known for, and lasting in-person relationships, insights, and opportunities. We look forward to welcoming Excelsior's first EMBA class to this exciting new program this fall.”

Excelsior's EMBA program empowers students to excel in executive business leadership roles

through a combination of flexible online learning and hands-on, in-person experiences. The program goes beyond the traditional online classroom by offering unique opportunities for students to develop professional skills and relationships through immersive cohort studies with industry experts and corporate partners in each of the three cities. Each location will host distinctive projects and experiential learning programs designed to build a student's network and leadership experience. Each experience is curated, unique, and exclusive to this program. Excelsior EMBA students will graduate as leaders with a holistic view of today's dynamic, socially conscious business environment.

Eligible EMBA students will have a bachelor's degree and more than five years of professional experience and management of people and projects.
