

Bubble Gum Journey: A Glimpse into the Afterlife for Children, Presented by Atticus Publishing

"Comfort and Imagination Beyond the Veil"

SAN FRANCISCO, CA, UNITED STATES, May 16, 2025 /EINPresswire.com/ -- Atticus Publishing presents [Bubble Gum Journey](#), a heartfelt book by Sonia Lipford that offers a unique perspective on what life might be like for children on the other side. This touching narrative was inspired by the profound loss of her grandson, Darius, and serves as a tribute to his memory and spirit.

Sonia Lipford, a graduate of Austin Peay University and Colorado Technical University, where she received her professional certification as a Correction Technician, brings her personal and profound insight into the experiences of children in the afterlife through her latest work. Having faced the immense grief of losing her grandson on October 11, 2016, Lipford was moved to write *Bubble Gum Journey* to depict the whimsical and comforting aspects of the afterlife for young souls.

In addition to her academic achievements, Lipford is also the author of several children's books, including [Teaching My Sister Her Colors](#), [Molly and the Purple String](#), and *Witches Brooms in My Room*. Each book showcases her ability to weave imaginative narratives that capture the hearts of young readers and their families.

The inspiration for *Bubble Gum Journey* came from the deepest sorrow—a grandparent's loss of a grandchild. Lipford transforms her pain into a story that offers solace and a hopeful glimpse into an afterlife filled with joy and adventure. Through the character of Darius, young readers and their caregivers are invited to imagine a world beyond, one as colorful and cheerful as a bubble gum journey.

The primary message Sonia Lipford wishes to convey is that the afterlife for children is a place of beauty and happiness, providing comfort to those grieving and helping them to imagine their lost loved ones at peace.

Sonia Lipford further explored these themes in her recent interview on The Spotlight Network with host Logan Crawford. For more insights directly from Lipford, please see the embedded video below.

This moving book is available for purchase on major online booksellers like Amazon and Barnes & Noble, providing a valuable resource for anyone dealing with the loss of a young one or seeking comfort in the notion of a child-friendly afterlife.

Lipford continues to write with the hope of touching more lives and helping others find comfort through her storytelling.

Sonia Lipford's Bubble Gum Journey not only offers a path to understanding and coping with loss but also celebrates the enduring spirit of children. Through Darius's adventures, readers are reminded of the light and love that children bring into the world, even after they are gone.
