On the Road To Success Through Expansion!

After receiving so many requests from customers wanting a Desert Donuts location closer to their home in other cities and states, Michael and Gracee decided to answer the call to bring a bit of Arizona sunshine to every state, by offering franchise opportunities. The first state to expand the vision was Colorado, with 2 Desert Donuts shops opened in 2024 and 23 more coming soon.

"The arrival of Desert Donuts in Colorado has sparked a wave of enthusiasm for hot, fresh, cooked to order donuts which is truly remarkable! Businesses, schools and individuals have been amazed by the quality of the products and are excited to share the happiness of Desert Donuts within the community," says Franchise Area Developer Justin Daigle.

"The plan is to make Desert Donuts a household name. With that, we are planning to open many shops in every state over the coming years," Michael added.

As Desert Donuts continues to expand, they remain committed to their core values of quality, innovation, and community engagement. For more information or to see what they are all about, including online ordering please, visit desertdonuts.com.
